Mr. Dill,

As a former teacher, assistant principal, principal, and central office administrator it is always a pleasure to see examples of students representing their school in an exemplary manner. I recently witnessed, first hand, your students doing just that! On April 17<sup>th</sup> I attended the Tennessee Bandmasters Association Hall of Fame concert in Nashville, Tennessee. Not only was the musical community impressed with the professionalism of the program that your students presented, but the entire Tennessee Music Educators Association membership was overwhelmed with the maturity of the students and their obvious level of dedication to their school and band program.

Congratulations to you for setting the bar of expectation very high for your students, and congratulations to your students for exceeding that expectation.

Please pass along my thanks and accolades to Mr. Zach Williamson and his band staff for their outstanding representation of the Roane County School System. You should be proud!

Sincerely,

Dr. Ken Larnagin
